MEDICINAL.

TEARFUL,

Trembling, frightened, she knows not why. Between her sobs she tells her husband of the husband to comfort the wife in this condition, she needs help. In those early days when the shadow of maternity first begins to fall upon the woman she is often nervous, sleepless, without appetite, and full of vague fears.

The help needed by women at this crisis is fully furnished by Dr. Pierce's Favorite Prescription. It nourishes the nerves and so quiets them. It restores the appetite and induces refreshing sleep. It gives physical strength and mental buoyancy to meet the trial of motherhood, and makes the baby's advent practically painless.

"I will be very glad to say a few words for Dr. Pierce's Favorite Prescription," writes Mrs. P. S. Douglas, of Mansfield, Brome Co., Que. "During the first four months when I looked to becoming a mother, I suffered very much from nausea and vomiting, and I felt so terribly sick I could scarcely eat or drink anything. I had lost all kinds of food. At this time I wrote to Dr. Pierce and he told me to get his Favorite Prescription, and a bottle of Golden Medical Discovery. I got a bottle of each and when I had taken them a few days I felt much better, and when I had taken hardly three parts of each bottle I felt well and could eat as well as any one, and could do my work without any trouble (I could not do anything before). I feel very thankful to Dr. Pierce for his medicine, and I tell all who tell me they are sick to get these medicines or write Dr. Pierce."

Dr. Pierce's Pleasant Pellets regulate the bowels.

WILD LEAP FROM A MOVING TRAIN.

Mrs. Geo. W. Stambaugh, living near Nashville, on the Western Maryland Railroad, north of Hanover, Pa., Thursday night jumped from a rapidly moving train, with a 2-year-old child in her arms, and miraculously escaped injuring herself or the child.

Mrs. Stambaugh was dining in her seat with the infant in her arms when the train stopped at the station and she failed to hear the brakeman when he called out "Nashville." After the train had started and gained great headway, the woman awoke, and realizing that she had passed her station, jumped from her seat and ran wildly to the platform, where she leaped from the train, amid the cries of "stop" and "don't jump!" by the excited passengers. The train was immediately stopped and backed to where the woman was lying in a dazed condition on the frozen ground, but entirely uninjured save some severe bruises. She walked over a mile to her home, where a physician examined both the child and herself.

BIG DEAL IN FERTILIZER.—The Virginia-Carolina Chemical Company, commonly known as the Fertilizer Trust, has bought out the Charleston, S. C., Mining and Manufacturing Company. The latter concern owned 2,700 acres of phosphate land in Charleston, Berkeley and Colleton counties, and recently efforts were made to induce it to put up a million-dollar plant in Charleston. The price paid for the stock of the company was \$130 a share and the total sum involved was \$1,500,000. By this purchase the Virginia-Carolina concern gains virtual control of the fertilizer situation in the South. The Charleston Mining and Manufacturing Company is owned almost entirely by Philadelphia capitalists. I began operations in 1867, and, it is said, has paid more handsomely on its original output than any other corporation in South Carolina.

WOULD N'T LEAVE THE HOUSE.—The residence of Henry J. Reed, at Opegon, Frederick county, was destroyed by fire yesterday afternoon, together with all the contents. An exciting episode of the fire was he point blank refusal of Mr. Reed's mother, Mrs. Elizabeth Reed, to leave the house, and her final rescue by a prominent physician of Winchester just as the building was about to fall in. Mrs. Reed was ninety-four years old yesterday. Dr. C. L. Miller wrapped her in blankets and carried her through the flames to the woman. While being rescued she caught her rescuer with the fury of a tigress.

ADMIRAL CERVERA CHECKED.—A dispatch to the London "Daily Express" from Gibraltar says that Admiral Cervera, who commanded the Spanish squadron at Santiago, and who is living at that place, boarded the steamer Fuerst Bismarck on her arrival there to visit an American friend named Arthur Humphrey, who was aboard of her. As he stepped on the gangway he was vociferously cheered by the American passengers, much to the surprise, it is stated, of the Spaniards who were standing by.

ICE MARVELS AT NIAGARA.—So much snow has fallen and steady cold has prevailed for so long that the Niagara gorge presents the most dazzling spectacle of years and crowds turn the banks. Visitors are attracted from all parts of the south and tomorrow a special party from the foreign legations at Washington is expected.

The Mother's Favorite Chamberlain's Cough Remedy is the mother's favorite. It is pleasant and safe for children to take and always cures. It is intended especially for coughs, colds, croup and whooping cough, and is the best medicine made for these diseases. There is not the least danger in giving it to children for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by Richard Gibson, druggist.

To accommodate those who are partial to the use of atomizers in applying liquids into the nasal passages for catarrhal troubles, the proprietors prepare Cream Balm in liquid form, which will be known as Ely's Liquid Cream Balm. Price, including the spraying tube, is 75c. Druggists or by mail. The liquid form embodies the medicinal properties of the solid preparation. Cream Balm is quickly absorbed by the membrane and does not dry up the secretions, but changes them to a natural and healthy character. Ely Brothers, 58 Warren street, New York.

Recent experiments show that all classes of foods may be completely digested by a preparation called KODI Dyspepsia cure, which absolutely digests what you eat. As it is the only combination of all the natural digestants ever devised the demand for it has become enormous. It has never failed to cure the very worst cases of indigestion and it always gives instant relief.
